

Grants Newsletter

August 28, 2023

To better serve you, I would like to provide this week's Grants Newsletter. Enclosed you will find several open grant applications that provide the opportunity to procure federal funding for a variety of projects.

Attracting more federal funds to our district and region has been a top priority during my tenure in Congress. By providing this document, I hope we can secure additional federal funds and assistance to our area that will improve life in Texas's 28th Congressional District.

For more information on the federal grant process, please visit my [grants webpage](#) or contact my Grants Coordinator, Randy Aguilar, at Randy.Aguilar@mail.house.gov. To stay informed about recent legislative activity and how it impacts your family and your community, please visit my [congressional website](#) or follow me on Twitter at [@RepCuellar](https://twitter.com/RepCuellar).

Sincerely,

Henry Cuellar
Member of Congress
28th District of Texas

Note: This newsletter provides information on current federal grant solicitations. This is not a comprehensive list of all grant opportunities. For more information on federal grants, please contact the office at (202) 225-1640 or email randy.aguilar@mail.house.gov.

Education and Research

The NCI Predoctoral to Postdoctoral Fellow Transition Award

Project description: The purpose of the National Cancer Institute Predoctoral to Postdoctoral Fellow Transition Award is to encourage and retain outstanding graduate students recognized by their institutions for their high potential and strong interest in pursuing careers as independent cancer researchers. The award will facilitate the transition of talented graduate students into successful cancer research postdoctoral appointments and provide opportunities for career development activities relevant to their long-term career goals of becoming independent cancer researchers.

Eligibility:

- State governments
- Small businesses
- Others (see postings for additional information)
- Independent school districts
- Nonprofit entities
- County governments
- City or township governments
- Public and state controlled institutions of higher education
- For profit organizations other than small businesses
- Public housing authorities

Application due date: November 19, 2024

Digital Humanities Advancement Grants

The program supports innovative, experimental, and/or computationally challenging digital projects leading to work that can scale to enhance scholarly research, teaching, and public programming in the humanities.

Eligibility:

- County governments
- Nonprofit organizations
- Public and state controlled institutions of higher education
- Nonprofit entities
- State governments
- City or township governments
- Special district governments

Application due date: January 11, 2024

[Decision, Risk and Management Sciences - Doctoral Dissertation Research Improvement Grants](#)

Project description: The Decision, Risk and Management Sciences Program (DRMS) supports scientific research directed at increasing understanding and effectiveness of decision making by individuals, groups, organizations and society. DRMS supports research with solid foundations in theories and methods of the social and behavioral sciences.

Eligibility:

- Institutions of higher education

Application due date: January 18, 2024

Health and Nutrition

[Engaging Survivors of Sexual Violence and Trafficking in HIV and Substance Use Disorder Services](#)

Project description: The goal of this concept is to support exploratory research and preliminary interventions to address the interrelated and compounding contextual factors that contribute to substance use and HIV risk among sexual trafficking survivors. This would be accomplished through research that builds new interventions and models of care that can effectively engage sex trafficking (ST) survivors in care for substance use disorder, HIV, trauma, and other mental health outcomes and addresses key structural and social determinants of health that contribute to risk for ST as well as barriers to and facilitators of escaping continued exploitation.

Eligibility:

- Nonprofit entities
- County governments
- City or township governments
- Public housing authorities
- State governments
- Private institutions of higher education
- Small businesses
- Independent school districts
- Special district governments
- Others (see posting for additional information)
- For profit organizations other than small businesses

Application due date: August 5, 2024

[Justice Community Overdose Innovation Network - Phase II Methodology and Advanced Analytics Resource Center](#)

Project description: The purpose of the network is to establish a national consortium of investigators examining promising interventions and other approaches that can improve the capacity of the justice system to effectively respond to the opioid epidemic.

Eligibility:

- Others (see posting for additional information)
- State governments
- Special district governments
- Small businesses
- Private institutions of higher education
- Public housing authorities
- Nonprofit entities
- For profit organizations other than small businesses
- County governments
- Public and state controlled institutions of higher education
- Independent school districts
- City or township governments

Application due date: October 30, 2023

[AHRQ Improving Diagnostic Safety in Ambulatory Care: Strategies and Interventions](#)

Project description: The purpose of this funding announcement is to invite proposals focused on developing strategies and interventions to improve diagnostic safety in the heterogenous ambulatory care environment.

Eligibility:

- For profit organizations other than small businesses
- Private institutions of higher education
- Others (see posting for additional information)
- State governments
- Special district governments
- Nonprofit organizations
- Independent school districts
- Small businesses
- Public and state controlled institutions of higher education
- County governments
- Public housing authorities
- City or township governments

Application due date: August 31, 2028

Veterans

[2023 Summer Registration of Interest for HUD-VASH Vouchers](#)

Project description: These vouchers are administered in partnership with the U.S. Department of Veterans Affairs (VA) and enable homeless veterans and their families to access affordable housing with an array of supportive services.

Eligibility:

- Public housing authorities

Application due date: This notice remains in effect until amended, superseded, or rescinded.
